## OLD MAC DONALD

Record: BONANZA DANCE PARTY, ZYX Records
Choreo by: Chip Woodall, Martinez GA
Note: $\quad$ This dance is a fun challenge to the Intermediate level dancer. All the verses are the same with a different step for each animal named at the farm. It becomes a little interesting as each animal is named in repeating order. The sequence is always the same but remember there is a step for each animal on Old MacDonald's Farm. Good Luck !!! [side note: Chip gave his blessing for me to adjust/change/make fun any of the steps ...thanks Chip]
